Finally the Texas Ranger Hall of Fame and Museum promotes pride and interest in the Texas Rangers and the heritage of the American West.

The Education Center is a cooperative project of the City of Waco, the Texas Department of Public Safety and the Texas Rangers. It provides area non-profit organizations with space for programs related to safety, well-being, crime prevention, and good citizenship. It is also available as training space for volunteers and persons delivering such programs. Qualifying programs may include victim support group meetings, crime prevention courses or Drug Abuse Resistance Education programs on kids' safety and staying drug-free. Support from the Waco Foundation has provided the Education Center with a podium and speaker system, digital projectors, and wireless internet capabilities.
